Low Fixed Price for 1st hires incentive

No need to worry about high uncapped percentage fees for supply, we'll agree a "first hire fixed fee" to be cost conscious and efficient for that first hire.

Retain us on a Fixed Fee - £5000.....

This will really get the initial job done

A Fixed Price Retainer

We can be an extension of your business on a very competitive one off Retainer, to provide all the initial services, advice, help and support, plus carrying out the processes for your staff growth, as shown in the example below.

- Set out and document the staff and resourcing strategy*
- Quantify the Job Descriptions*
- Agree the method of sourcing*
- Quantify the process for recruiting*
- Agree on the rate for each position being filled*
- Carryout the selection of candidates*
- Arrange interviews*
- Finalise the hire for you*

Competitive Rates for Hires - to agree.....

Part of our Retainer service

We will provide the best staffing solution and depending on volume we can be as low as 10% fee of start salary. We are also prepared to charge a fixed fee per hire, regardless of salary, which will make sure you get the best candidate, not just ones that could give an Agency a better return (Remember we are servicing you, we are not a Recruitment Agency)
